SILVER IN THE PLATFORMS.

Silver was "remonetized" by the  
Albion-Albion act of February 28, 1878,  
but the question did not begin to  
figure in politics in a presidential  
campaign until 1884. Following are  
the national platform utterances on  
the silver question by each of the  
great parties:

Results Tell the Story.

A vast mass of direct, unimpeachable testi-  
mony proves beyond any possibility of doubt  
that Hood's Sarsaparilla actually does per-  
manently cure diseases caused  
by impure blood. Its record of cures is un-  
equalled and these cures have often been  
accomplished after all other preparations had  
failed to relieve.

Hood's Sarsaparilla cures all liver ills, biliousness,  
jaundice, skin eruptions, etc.

A Railroad Official's Experience.

MR. EDWARD EDMONDS, long con-  
nected with railroad construction in  
Nebraska, writes: "My heart troubled  
and pained me for 15 years. Shortness of  
breath was the constant and most common  
symptom. Intense, excruciating pain, gener-  
ally followed by a severe exertion. Fatigues,  
hunger without any appetite; fluttering that  
made me clutch my breast, and palpitation  
that often staggered me as if I would fall,  
were frequent attacks. Again, everything  
would turn black if I arose from a stooping  
posture quickly. Sleepless nights with their  
prostrating unrest were numerous and I could  
get no rest day or night. I consulted leading phy-  
sicians and tried advertised  
remedies. They gave me no relief. One of  
Dr. Miles' circulars described my case so  
exactly that I took Dr. Miles' New Heart  
Cure and I am now a well man. I hope  
every one troubled with heart disease will  
try Dr. Miles' remedies. If they will write  
me personally, I will gladly give them full  
details of my experience." EDW. EDMONDS.  
P. O. Box 58, David City, Nebraska.

Dr. Miles' Heart Cure is sold on guarantee  
that first bottle benefits or money refunded.

for Infants and Children.

MOTHERS, Do You Know

that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of *Chas. H. Pitcher* is on every wrapper.
